Dear Customers

Following the latest government guidelines our Sales, Technical and Finance departments will be working from home via remote connections, which enables them to work off-site for most tasks and stay safe. We apologise for any inconvenience or delays at this time. Please be assured that we will be endeavouring to maintain our high standard of customer service during this period.

Our fabrication and transport departments will remain open as normal whilst adhering to the strict government policies to ensure the protection of our employees, clients and suppliers at all times within these departments. And we ask that all our visitors adhere to the latest government guidelines.

Unauthorised visits to our premises without an appointment will not be accepted, as admittance for delivery and collections will be by appointment only. Please contact our Delivery / Goods Inwards Department for an appointment.

Our remote based staff can be contacted during this phase via email: -
